

The One Thing I Love Most About Christmas

*The English language cannot express
how I feel about this one thing come Christmas.*

*I love it more than anything else -
more than Santa, Snowmen,
and Christmas itself.*

*It's prettier than
the prettiest gift wrapping paper;
sweeter than a sugar cane candy, it's true:
the one thing I love most about Christmas is ...*

MERRY CHRISTMAS...

PUDDING! (a close second comes you)
